REGISTRATION FOR LEASE OF HOME

EXHIBIT "C" USE RESTRICTIONS. 4. Leases. No portion of a Home (other than an entire Home) may be rented and the lease or sale of any Home on a time-share basis is prohibited. All leases shall provide that the Association shall have the right to terminate the lease upon default by the tenant in observing any of the provisions of the Declaration, the Articles, the Bylaws, these Use Restrictions, or of any other agreement, document or instrument governing the Lots. No Home shall be leased for a term of less than thirty (30) consecutive days and no Home may be leased more than three (3) times in any calendar year. A copy of the lease must be provided to the Association. The Owner of a leased Home shall be jointly and severally liable with his or her tenant to the Association to pay any claim for injury or damage to property caused by the negligence of the tenant. Every lease shall be subordinated to any lien filed by the Association whether before or after such lease was entered into.

In the event that an Owner is delinquent in the payment of his or her Assessments, the Association has the right to require such Owner's tenant, if any, by written notice to such tenant, to pay directly to the Association the rental fees ("Rent") due for such Lot. The Association shall then deduct the delinquent Assessments for the Lot from the Rent and forward the balance of the Rent to the Owner. All leases entered into by an Owner shall be deemed to automatically incorporate this provision and all Owners hereby appoint the Association its agent for such purpose.

Declarations 3.1 (b) Leasing. For purposes of this Declaration, "leasing" is the regular, exclusive occupancy of a Home by any Person other than the Owner, for which the Owner receives any consideration or benefit, including, without limitation, a fee, service, or gratuity. The improvements on the Lot may be leased only in its entirety (e.g., separate rooms within the same Home may not be separately leased).

All lessees must obtain written approval prior to occupancy. All leases shall be in writing and shall have a term of at least one (1) month, except with the Board's prior written consent. No Owner may rent all or a portion of a Lot more than three (3) times in any 12-month period, even if a tenant defaults on a lease or abandons the Lot before expiration of the lease term.

All leases shall include an acknowledgment by the tenant that the tenant and all occupants of the leased Lot are bound by and obligated to comply with the Governing Documents and that the tenant has received a copy of the Governing Documents. The Owner shall be responsible for providing a copy of the Governing Documents to the tenant prior to execution of the lease and shall monitor enforcement and compliance with the Governing Documents by the tenant.

Each lease shall set forth the name, address, and telephone number of the Lot's Owner and of the tenant(s); the date the tenant's occupancy commences and ends; a description of each motor

vehicle owned or operated by the tenant or members of the tenant's household; and a description of all pets to be kept at the Lot.

If an Owner elects to permit a tenant to sublease during the term of the lease, such sublease shall be subject to the limitations and requirements established in this Declaration to the same extent and effect as the original lease.

Within 10 days of a lease being signed for a Lot, the Owner shall notify the Board or the Association's managing agent of the lease and provide a copy of such lease and such additional information the Board may reasonably require. An Owner proposing to lease a Lot may obscure the rental and deposit amounts in the copy of the proposed lease submitted to the Board so long as the lease contains the information listed above. In addition to this subsection (b), the Board may, from time to time, adopt reasonable Use Restrictions and rules regulating leasing and subleasing.

No Owner may assign or otherwise transfer the Owner's obligations under this Declaration to any tenant. The Association shall have the right to enforce the covenants, conditions, and restrictions set forth in this Declaration against the Owner, the tenant, or any member of the tenant's household, individually or collectively. The Association shall not be bound by any provision in the lease or other agreement between Owner and his or her tenant requiring prior notice or imposing other conditions on the rights of the Association.

The Association shall be deemed a third party beneficiary of all leases of Lots, and shall have the right, but not the obligation, to enforce the terms and conditions of such leases against the tenant or the Owner, including the right to evict the tenant without the owner's consent for any breach thereof or violation of the governing documents of the Association. Notwithstanding the foregoing, the Association's failure to object to any term or condition of a lease or occupancy arrangement shall not be deemed to be consent or approval of any term or condition of the lease, nor shall the Association have any obligation whatsoever for the performance of any obligation of Owner or tenant contained in the lease or otherwise.

Notwithstanding any condition of any lease to the contrary, each Owner, by acceptance of the deed to a Lot, hereby covenants and agrees with the Association and all other Owners of Lots in the Community, including, but not limited to, that the Owner shall be responsible for any violation of the Governing Documents resulting from the acts or omissions of his or her tenant, other occupants of the leased Lot, and their respective guests to the same extent that Owner would be liable for such violation if it had resulted from the acts or omissions of the Owner or a member of the Owner's household or guests. The Owner's obligations hereunder shall be deemed a guaranty of performance by his or her tenant, and the Association shall have the right to take any action or seek any remedy for the tenant's failure or refusal to comply with the Governing Documents directly from or against the Owner without first taking such action or obtaining such remedy from or against the tenant.

The office is open Monday-Friday 8am-5pm. If you already have a pedestrian gate key it will still work, no need for a new one. Those riding bicycles please do not follow a vehicle through the gates as the arm comes down quickly after each vehicle.
